Huh!?
...Huh?
Something wrong?

?
?
Miki
Sayaka
I want to see her embarrassed face more...
Wanna fight!?
What's wrong you say...? I just woke up to find myself in this situation in my underwear, so I'm quite surprised...
Wha-wha-what the heck are you doing!?
going to make love to you
I am...
Wha-

Of course I still love Madoka But you Miki Sayaka are
special to me too
Eh..
Wh- why?
I mean what about Madoka?
Why me...?
The only one that remembers who I really am, is you alone

You too.
That's why...
If you are not here I won't be able to live...
I have already chonged everyone... You know Miki Sayoka...
Only you... You are the only exception...
I will make it so that your body won't be able to live without me as well.
